STATE		
<b>124</b> LOCAL HOSPITAL DISTRICTS. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Authorizes Legislature to allow hospital districts to become stockholders in health care related corporations. Fiscal impact: This measure has no direct fiscal effect.	YES	<input type="checkbox"/>
	NO	<input type="checkbox"/>
<b>125</b> RAIL TRANSIT FUNDING. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Authorizes expenditure of motor vehicle fuels tax funds for rail transit vehicles, equipment acquisition. Fiscal impact: An unknown amount of revenues raised from the state-imposed taxes on motor vehicle fuels and fees upon the operation and use of vehicles may be shifted from existing uses for the purchase of rail transit vehicles and related equipment that operate on mass transit guideways, as a result of this measure. The extent of the shift depends upon the number of counties or geographic areas that approve and use these revenues for the specified purposes.	YES	<input type="checkbox"/>
	NO	<input type="checkbox"/>
<b>126</b> ALCOHOL TAX. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Increases alcoholic beverages taxes; proceeds to General Fund; excluded from appropriations limit. Controls conflicting measures. Fiscal impact: This measure would result in additional General Fund revenues of approximately \$70 million for a portion of 1990-91 and approximately \$195 million in fiscal year 1991-92, the first full year it is in effect. Similarly, local sales tax revenues would increase statewide by approximately \$1.6 million annually. Revenues generated after fiscal year 1991-92 will depend upon the trends in alcohol sales. Adjustments are also made to the state's constitutional spending limit to include the additional tax revenue.	YES	<input type="checkbox"/>
	NO	<input type="checkbox"/>
<b>127</b> EARTHQUAKE SAFETY. PROPERTY TAX EXCLUSION. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Excludes earthquake safety improvements to existing buildings from property tax assessment. Fiscal impact: If Legislature fully implements measure, it would reduce annual property tax collections from assessment of earthquake safety modifications beginning 1990-91. Revenue loss could be millions of dollars annually. Cities, counties, and special districts would bear approximately two-thirds of the loss; school and community college districts one-third. State may have to replace lost school district revenues, depending on formula used to determine K-14 education funding guarantee under existing state Constitution requirements.	YES	<input type="checkbox"/>
	NO	<input type="checkbox"/>

STATE

**128** ENVIRONMENT, PUBLIC HEALTH, BONDS, INITIATIVE STATUTE. Regulates pesticides, air, water. Authorizes bonds to acquire ancient redwoods. Establishes elected Environmental Advocate. Fiscal impact: Annual state administrative and program costs of approximately \$90 million, decreasing in future years; partially offset by \$10 million increased annual fee revenue. Local governments would incur \$8 million one-time cost; \$5 million to \$10 million annually, decreasing in future years. State General Fund to incur one-time \$750,000 appropriation in 1992-93 for Office of Environmental Advocate; \$40 million for environmental research grants. Future administrative costs of office unknown. If all bonds authorized for ancient redwood acquisition, forestry projects were sold at 7.5 percent interest and paid over the typical 20-year period, General Fund would incur approximately \$535 million in costs to pay off principal (\$300 million) and interest (\$235 million). Estimated average annual costs of bond principal and interest would be \$22 million. Per-barrel fee on oil would increase revenues by \$500 million by 1996-97, used to pay oil spill prevention/clean-up costs. Indefinite deferral of potentially \$2 billion in future state oil and gas revenues resulting from limits on oil and gas leases in marine waters. Indirect fiscal impact could increase or decrease state and local government program costs and revenues from general and special taxes in an unknown amount. The overall impact is unknown.

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

**129** DRUG ENFORCEMENT, BONDS, INITIATIVE CONSTITUTIONAL AMENDMENT, STATUTE. Authorizes bonds, money for drug enforcement. Clarifies privacy rights affecting reproductive choice. Fiscal impact: No additional revenues result from this measure. Total General Fund costs of \$1.2 billion for transfers to the Anti-Drug Superfund between 1990-91 through 1993-94. From 1994-95 through 1997-98 it is not clear whether any funds would be transferred from the General Fund to the Superfund. If all bonds proposed by this measure are sold at an interest rate of 7.5 percent, cost would be approximately \$1.3 billion to pay off principal (\$740 million) and interest (\$585 million), with average annual payment being approximately \$55 million. Additional annual costs of tens of millions of dollars for state and local governments could arise for operation of new correctional facilities. Additional costs resulting from increased criminal arrests and convictions could be offset by increased funding for drug education and prevention.

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

STATE

**130** FOREST ACQUISITION, TIMBER HARVESTING, BONDS, INITIATIVE STATUTE. Authorizes bonds to acquire ancient forests providing wildlife habitat. Limits logging. Retrains loggers. Fiscal impact: Estimated cost to state General Fund of \$742 million in bond principal, \$585 million in interest, for bond program. Estimated average annual bond principal and interest costs of approximately \$55 million. State administrative costs of up to \$10 million annually for state forestry review and enforcement programs, fully offset by revenues from timber harvesting fees. State savings of about \$6.4 million annually, also resulting from imposition of such fees. Unknown effect on state and local tax revenues, possible decreased revenue to local governments to extent lands acquired under measure would no longer be assessed property taxes.

YES

NO

**131** TERM LIMITS, ETHICS, INITIATIVE CONSTITUTIONAL AMENDMENT, STATUTE. Limits terms, elected officials; enacts ethics standards, partial public campaign financing, spending limits. Fiscal impact: Unknown level of state revenues, possibly \$12 million in 1990-91 and uncertain amounts thereafter, to be generated from state income tax check-off provisions for campaign financing; corresponding unknown revenue loss to state General Fund. Annual General Fund contributions of \$5 million for campaign matching payments beginning January 1, 1992, amounts to increase in subsequent years. Unknown amount of state matching payments likely to be requested under measure for campaign financing by candidates for state office. State General Fund administrative costs of approximately \$1.5 million in 1990-91, \$3 million annually for subsequent years.

YES

NO

**132** MARINE RESOURCES, INITIATIVE CONSTITUTIONAL AMENDMENT. By 1994 prohibits gill, trammel nets in Southern California coastal waters. Imposes temporary fishing fees. Fiscal impact: Permit fees and marine protection stamp would provide approximately \$5 million to Marine Resources Protection Account by 1995. Compensation for fishermen who surrender gill and trammel nets between July 1, 1993 and January 1, 1994, could total up to \$3.4 million, if necessary legislation enacted. Enforcement of measure could cost up to \$1.5 million annually. Loss of \$100,000 annually from reduced fishing license, permit, and tax revenues may result; losses offset in unknown amount by measure's increased fines.

YES

NO

STATE

**133** ANTI-DRUG PROGRAMS: TAXES. INITIATIVE STATUTE. Funds anti-drug enforcement and prevention with 1/2¢ sales tax increase. Prohibits serious offenders' early release. Fiscal impact: The Safe Streets Fund will receive a total of \$7.5 billion in sales tax revenue for distribution during the period of the rate increase. Interest earnings received by the General Fund for the period will be \$80 million, with education programs receiving up to \$33 million. Minor General Fund costs beginning in 1997-98 increasing to more than \$30 million annually, by 2012-13 as a result of increased prison population due to elimination of sentence credits for specified offenders; potential one-time costs of more than \$140 million for construction of new prison facilities. Increased law enforcement funding could result in additional criminal arrests and convictions, increasing state and local costs, which may be reduced by the increased funding of drug education and prevention programs.

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

**134** ALCOHOL SURTAX. CONSTITUTIONAL AMENDMENT. INITIATIVE STATUTE. Imposes 5¢ per unit alcohol surtax funding alcohol/drug abuse, emergency medical care, other programs. Fiscal impact: Surtax would increase tax on beer from 4 cents to 57 cents per gallon, most wines from 1 cent to \$1.29 per gallon, and distilled spirits from \$2 to \$8.40 per gallon. The surtax would result in additional state revenues of approximately \$360 million in 1990-91 and \$760 million in 1991-92, depending on alcohol sales. State General Fund revenues could increase or decrease several million dollars due to effect on sales tax revenues and revenues from existing alcoholic beverage taxes. Local sales tax revenue would increase by several million dollars. The guarantee for 1989-90 level nonsurtax funding, with required annual adjustments, for various health, mental health, criminal justice and other programs could increase costs by \$180 million in 1990-91 and over \$300 million in 1991-92; possibly additional tens of millions of dollars in subsequent years. These costs would have to be funded from revenues other than surtax. Expenditure of surtax revenues for prevention and treatment programs could result in future savings.

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

**135** PESTICIDE REGULATION. INITIATIVE STATUTE. Expands pesticide monitoring program for produce, processed foods. Eliminates some industry fees. Modifies penalties, regulations, training. Fiscal impact: One-time state General Fund cost of approximately \$49 million, annual costs of approximately \$6 million, for pesticide and food monitoring and research programs. Estimated annual state revenue loss of approximately \$1.5 million due to repeal of industry fees. Additional state administrative and regulatory costs ranging from \$200,000 to, possibly, several million dollars annually.

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

STATE

**136** STATE, LOCAL TAXATION, INITIATIVE CONSTITUTIONAL AMENDMENT. Increases vote necessary for tax increases. Invalidates special tax ballot measures without 2/3 vote. Fiscal impact: Restricts rate of certain special taxes, could limit future ability of state to raise revenues through such taxes. Could limit future passage of initiative statutes proposing approval of special state taxes. Prohibits imposition of new, higher general taxes by charter cities without voter approval, thus potentially preventing such cities from increasing revenues. Unknown fiscal effect on other local governments. Could facilitate local government's enactment of new or higher taxes for disaster relief.

YES   
NO

**137** INITIATIVE AND REFERENDUM, INITIATIVE CONSTITUTIONAL AMENDMENT. Before effective, laws affecting state or local initiative or referendum process require voter approval. Fiscal impact: The measure could result in unknown increased state and local administrative costs for preparation, printing and mailing of ballot information and verifying election results to extent that changes in requirements for initiatives and referendums are submitted to voters. State General Fund costs could range from insignificant to \$200,000 per measure for each statewide election. Counties' costs could range from insignificant to \$100,000 per measure for each statewide election.

YES   
NO

**138** FORESTRY PROGRAMS, TIMBER HARVESTING, BONDS, INITIATIVE STATUTE. Authorizes bonds for forest, park restoration, wildlife studies, other programs. Limits timber cutting. Fiscal impact: Estimated cost to state General Fund of \$300 million in bond principal, \$235 million in interest for bond program. Estimated average annual bond principal and interest costs of approximately \$22 million. Annual costs of approximately \$3.2 million, funded through sales of state-owned timber, to administer grants program. Initial, increased annual state costs of over \$1 million to review timber management plans, which could over time be more than offset by savings resulting from reduced periodic state regulatory reviews. One-time state costs of about \$1.1 million for climatological studies, fully offset by revenues from new regulatory fees. Unknown effect on revenues from other state taxes.

YES   
NO

**139** PRISON INMATE LABOR, INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Permits contracting inmate labor; wages subject to deductions; employer tax credits. Fiscal impact: This measure would likely result in net savings to the state. The magnitude of savings is impossible to quantify. The measure's impact on local governments is impossible to estimate because the contents of local ordinances implementing contracts for use of jail labor are unknown. Unknown indirect fiscal effects may occur to the extent this measure affects the number of jobs available in the private sector.

YES   
NO

STATE		
<b>140</b> TERMS OF OFFICE, LEGISLATURE, INITIATIVE CONSTITUTIONAL AMENDMENT. Limits: terms for specified state elected officials, legislators' retirement, pensions, Legislature's operating costs. Fiscal impact: Limitation on terms will have no fiscal effect. Restrictions on legislative retirement benefits would reduce state costs by approximately \$750,000 a year. To extent future legislators do not participate in federal Social Security system, there would be unknown future savings to the state. Legislative expenditures in 1991-92 would be reduced by about 38 percent, or \$70 million. In subsequent years, measure would limit growth in these expenditures to changes in the state's appropriations limit.	YES	<input type="checkbox"/>
	NO	<input type="checkbox"/>
<b>141</b> TOXIC CHEMICAL DISCHARGE, PUBLIC AGENCIES, LEGISLATIVE STATUTE. Extends to specified public agencies Proposition 65 toxic discharge and release prohibitions, warnings. Unknown costs, beginning in 1992, potentially in the tens of millions of dollars, depending on extent existing waste discharge controls are not sufficient to comply with discharge prohibitions of Proposition 65.	YES	<input type="checkbox"/>
